Implementation of Patient-Pathology Consult Program

for release – Tuesday, May 11, 2021

In our search for best practices, on March 6, 2021 we participated in a webinar sponsored by Change Healthcare on the topic of the *Implementation of Patient Pathology Consult Program*. It was presented by Lila Joseph M.D. Medical Director, Pathology and Clinical Lab Services, Lowell General Hospital. And we are sharing this with Dr. Joseph's permission.
